#### **DISCLOSURE APPENDIX**

#### **REGULATION AC - ANALYST CERTIFICATION**

The following analysts certify that all of the views expressed in this report accurately reflect their respective personal views about the subject securities and issuers. They also certify that no part of their respective compensation was, is, or will be, directly or indirectly, related to the specific recommendations or views expressed by them in this report: Arturo Galindo, Gabriela Chaparro and Lucas Bonelli.

#### **COMPANY SPECIFIC DISCLOSURES**

This report may not be independent of BCP's propriety interests. BCP does business, and seeks to do business, with companies covered in BCP research. As a result, investors should be aware that BCP may have a conflict of interest that could affect the objectivity of this report. Further, BCP may trade the securities (or related derivatives) that are the subject of this research report for its own account and for certain customers and may from time to maintain long or short positions in the securities (or in related derivatives) of the companies mentioned in this report. Such financial and trading interests may be contrary to any recommendation in the report.

BCP's salespeople, traders and other professionals may provide oral or written market commentary or trading strategies to our clients and our proprietary trading desks that reflect opinions that are contrary to the opinions expressed in this research.

#### **MEANINGS OF RATINGS**

"Market Outperform" – The bond's total return is expected to exceed the total return of the VanEck Emerging Markets High Yield Bond ETF ('EMLH Index') over the next 3 – 6 months.

"Market Perform" – The bond's total return is expected to be in line with the total return of the CEMBI Broad Diversified High-Yield Index over the next 3 – 6 months.

"Market Underperform" – The bond's total return is expected to be below the total return of the CEMBI Broad Diversified High-Yield Index over the next 3 – 6 months.

"Not Rated" or no comment – Currently, the analyst does not have adequate conviction about the bond's total return relative to the CEMBI Broad Diversified High-Yield Index over the next 3 – 6 months.

#### **GENERAL RESEARCH DISCLOSURES AND DISCLAIMERS**

This report is intended only for institutional investors, and should not be redistributed to retail investors. BCP research is not a solicitation or offer to buy or sell any security or financial instrument or to participate in any trading strategy. The products mentioned in this report may not be eligible for sale in some states or countries.

The analysts principally responsible for the preparation of BCP research receive compensation based upon various factors, including quality, accuracy and value of research, firm profitability or revenues (including overall investment banking revenues), client feedback and competitive factors. The compensation of BCP analysts is not linked to specific investment banking or capital markets transactions by BCP. Analysts employed by non-U.S. affiliates may not be registered with FINRA, may not be associated persons of BCP, and may not be subject to FINRA regulations regarding research related activities.

BCP research is based on public information. BCP makes every effort to use reliable, comprehensive information, but makes no representation that the information is accurate or complete. Facts and views presented in BCP research have not been reviewed by, and may not reflect information known to, professionals in other BCP business areas, including investment banking personnel. BCP analysts may interact with sales and trading desk personnel in connection with their research, including to ascertain pricing and liquidity in the fixed income markets.

Brazil: This report is distributed in Brazil by BCP Securities Brazil (RJ) in accordance with applicable regulations. No approval is required for publication or distribution of this report in Brazil. The views expressed above accurately reflect personal views of the authors about the subject companies and their securities. The compensation of the equity research analyst(s) is indirectly affected by revenues deriving from the business and financial transactions of BCP. Where a Brazil based analyst has taken part in the preparation of this research report, the Brazil based analyst whose name appears first assumes primary responsibility for its content from a Brazilian regulatory perspective and for its compliance with CVM Instruction 483.
